1. Claims 1-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: the cited prior art fails to show a disk drive, and associated method, comprising a controller that selectably burnishes the area of the air-bearing surface where a magnetic transducer is located by rotating the disk in the reverse direction for a plurality of rotations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan Faber whose telephone number is (571) 272-7553. The examiner can normally be reached on flextime (M-F).
